Petition No. x2026-167 – Kipp Whole Child Center, request for an encroachment within Longacre Ave., 60 ft. wide (previously dedicated 4/5/2007 JCC PG 810) adjacent to the parcel commonly known as 17630 Tireman for underground HDPE conduits.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW. Traffic Engineering Division

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

I am recommending adoption of the attached resolution.
