Licenses.

To the Honorable the Common Council:

Gentlemen—Your Committee on Licenses, to whom was referred the resolution presented by Ald. Dederich, at a session held on the 17th inst., granting permission to Sylvester Vernier to peddle without a license for a period of 60 days, respectfully report that we have given the same our careful consideration and upon investigation find that Sylvester Vernier is endeavoring to support his father and mother, who are very old and feeble; that he is unable to do any hard work because of the fact that his own health is very poor, and if granted this permission it will prevent his aged parents from asking assistance from the poor commission.

Your committee believe that this is a case worthy of consideration, and therefore recommend that the request of the petitioner be granted, and that the resolution presented by Ald. Dederich at a session held on the 17th inst. (J. C. C., p. 93), be adopted.

Respectfully submitted,
WM. GUTMAN,
GEO. P. CODD,
WM. NAGEL.
