F. A. BLADES,

Controller.

Accepted and referred to the Committee on Claims and Accounts. Ald. Rose entered and took his seat.

FROM THE SAME.

To the Honorable the Common Council:

Gentlemen—I herewith submit without approval bill from the Poor Commission in favor of Conrad Kellar for the construction of a coal shed at the Western Yard, amounting to \$533 59, for the reason that proposals were not secured for this work by public advertisement, which I am advised is contrary to the provisions of the charter. I also submit without approval pay roll from the Department of Public Works for work done in the removing of election booths, amounting to \$16 80. The appropriation for putting up and removing booths was \$1,500, and there has already been charged against the appropriation \$1,487 89, leaving a balance of \$12 11. I understand there are also other bills and pay rolls to come in on account of this work.

I recommend the reference of this communication and the accompanying bills and pay rolls to the Committee on Claims and Accounts.

Respectfully,

F. A. BLADES,

Controller.

Accepted and recommendation concurred in.
