

For trial balance, see communication from the City Treasurer of this date.

Received and placed on file.

From the Corporation Counsel

March 11, 1933.

To the Honorable, the Common Council:

Gentlemen—Enclosed herewith is the petition of the Russell Woods Civic Association requesting the designation of Broadstreet as a boulevard.

We call your attention to the fact that the Supreme Court decision referred to effects only Broadstreet from Davison Avenue to Cortland Avenue; that part of the avenue from Cortland Avenue to Joy Road was in no way involved in this litigation.

Very truly yours,

PAUL T. DWYER,

Assistant Corporation Counsel.

Approved:

CLARENCE E. WILCOX, Corporation Counsel.

By Councilman Van Antwerp:

AN ORDINANCE to amend Section 4 of Chapter 177 of the Compiled Ordinances of the City of Detroit for the year 1926.

CLARENCE E. WILCOX, Corporation Counsel.

Read twice by title, ordered 3 and laid on the table.

From the Corporation Counsel

March 11, 1933.

To the Honorable, the Common Council:

Gentlemen—In accordance with request of your Honorable Board submitting herewith an ordinance regulating the manufacture and bottling of soft drinks, etc. Ordinance in its present form is submitted upon by representatives of bottling industries and the Department of Health, and I have approved to form.

Very truly yours,

VANCE G. INGALLS,

Assistant Corporation Counsel.

Approved:

CLARENCE E. WILCOX, Corporation Counsel.

By Councilman Smith:

AN ORDINANCE to regulate the manufacture, and bottling of soft drinks, syrups, extracts, distilled, spring and mineral waters and all other non-alcoholic beverages within the City of Detroit.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT:

Section 1. No person or corporation shall manufacture or bottle for sale any soft drink, mineral water, or other non-alcoholic beverage without first obtaining a license therefor from the Mayor of the City of Detroit.

Sec. 2. The Mayor is hereby authorized to grant such license to any person of good reputation to engage in the business of manufacturing or bottling soft drinks, syrups, extracts, distilled, spring and mineral waters, or other non-alcoholic beverages, or to any co-partnership or partnership, or to any person named above in the ordinance, if the applicant is not of good reputation, or is not the proper person to have such license, or that the applicant conducts said place of business in violation of any provision of the Board of Health, or if said place or establishment where he conducts said business is not a proper place in which to conduct said business.

The conviction of any person on the charge of having violated any provision of this ordinance shall be cause for revocation or refusal of his license.

Sec. 3. Before the

any such license provided for in Section 1, the applicant shall furnish him a certificate from the Board of Health stating the establishment where applicant intends to conduct such business is a proper place in which to conduct such business.

Blank applications for such certificates shall be issued by the Board of Health. Such applications shall contain such information as shall be required by the Board of Health and shall further contain an agreement by the applicant to consent to the inspection of the Department of Health enter, examine and inspect any part of the premises used in conducting such business or any such soft drinks, extracts, fruit juices, distilled, spring and mineral waters, or other non-alcoholic beverages or offered for sale therein.

The applicant shall take samples of said products for the purpose of analyses. Such applications shall further contain an agreement that the premises occupied by such business shall be provided with sanitary toilets and any other requirements that the Board of Health may deem necessary in the conduct of such business and that the applicant agrees to conform to such reasonable rules and regulations of the Board of Health as to the conduct of such business. The Board of Health is authorized to issue such certificates upon application of any person or corporation desirous of engaging in or continuing to engage in such business, after determining that the place of business where the applicant conducts business is a proper place in which to conduct such business. No such determination shall be made until the Board of Health determines that the premises meet with all requirements of this section.

Sec. 4. The Mayor is hereby authorized to refuse to issue or to refuse to issue said license or to refuse to issue upon satisfactory proof that the applicant is not of good reputation, or is not the proper person to have such license, or that the applicant conducts said place of business in violation of any provision of the Board of Health, or if said place or establishment where he conducts said business is not a proper place in which to conduct said business.

The conviction of any person on the charge of having violated any provision of this ordinance shall be cause for revocation or refusal of his license.

Sec. 7. For the purpose of this ordinance, all soft drinks or other non-alcoholic beverages except pure, non-alcoholic fruit juices, and syrups, shall consist of a beverage made from a pure cane or beet sugar syrup containing pure flavoring materials, with or without added fruit acid, and shall contain in the finished product not less than ten per cent sugar, except dry ginger ale, which must contain not less than seven per cent sugar.

Sec. 8. All bottles used in the manufacture of soft drinks, distilled, spring or mineral waters, or other non-alcoholic beverages, before being filled shall be sterilized by soaking in a hot caustic solution of not less than one hundred twenty degrees Fahrenheit, that shall contain not less than three per cent caustic or alkali expressed in terms of sodium hydrate for a period of not less than five minutes, then thoroughly rinsed in pure water until free from alkali or sodium hydrate. Each and every bottle so sterilized, when filled with a soft drink, distilled, spring or mineral waters, or other non-alcoholic beverage, must be distinctly labeled with the true name of the soft drink, distilled, spring or mineral water, or other non-alcoholic beverage therein contained, together with the true name of the manufacturer thereof. (A decorated crown may constitute a label.) All labels shall conform to the requirements as set forth in the State Laws, Act No. 126, Public Acts 1927, as amended.

Sec. 9. The Department of Health is hereby empowered to make all reasonable rules and regulations pertaining to the enforcement of this ordinance.

Sec. 10. Any person, firm or corporation violating any of the provisions of this ordinance shall be punished by a fine of not more than \$100.00 or by imprisonment in the House of Correction for a period not to exceed 30 days, or both such fine and imprisonment in the discretion of the Court.

Sec. 11. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Sec. 12. It shall be the duty of the City Treasurer to turn into the Public Health Fund of said City all moneys so received for the licensing of persons engaged in the conducting of said business, such moneys to be used by said Department in the enforce-

tion or refusal of his license.

Sec. 7. For the purpose of this ordinance, all soft drinks or other non-alcoholic beverages except pure, non-alcoholic fruit juices, and syrups, shall consist of a beverage made from a pure cane or beet sugar syrup containing pure flavoring materials, with or without added fruit acid, and shall contain in the finished product not less than ten per cent sugar, except dry ginger ale, which must contain not less than seven per cent sugar.

Sec. 8. All bottles used in the manufacture of soft drinks, distilled, spring or mineral waters, or other non-alcoholic beverages, before being filled shall be sterilized by soaking in a hot caustic solution of not less than one hundred twenty degrees Fahrenheit, that shall contain not less than three per cent caustic or alkali expressed in terms of sodium hydrate for a period of not less than five minutes, then thoroughly rinsed in pure water until free from alkali or sodium hydrate. Each and every bottle so sterilized, when filled with a soft drink, distilled, spring or mineral waters, or other non-alcoholic beverage, must be distinctly labeled with the true name of the soft drink, distilled, spring or mineral water, or other non-alcoholic beverage therein contained, together with the true name of the manufacturer thereof. (A decorated crown may constitute a label.) All labels shall conform to the requirements as set forth in the State Laws, Act No. 126, Public Acts 1927, as amended.

Sec. 9. The Department of Health is hereby empowered to make all reasonable rules and regulations pertaining to the enforcement of this ordinance.

Sec. 10. Any person, firm or corporation violating any of the provisions of this ordinance shall be punished by a fine of not more than \$100.00 or by imprisonment in the House of Correction for a period not to exceed 30 days, or both such fine and imprisonment in the discretion of the Court.

Sec. 11. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Sec. 12. It shall be the duty of the City Treasurer to turn into the Public Health Fund of said City all moneys so received for the licensing of persons engaged in the conducting of said business, such moneys to be used by said Department in the enforce-
